

Order form for CIPAC pre-published methods

Adopted CIPAC methods are available on a per-method basis, as long as they are not yet published in a Handbook. CIPAC charges a nominal fee per method.

Instruction

The list of the pre-published methods below is exhaustive.

Tick the method or methods you wish to receive. The methods are sent as pdf files attached to an e-mail – a working e-mail address is therefore mandatory.

Each method is charged with GBP 5. Please sum the number of methods you wish to receive and calculate the grand total. Send the form duly filled and signed to Marston Book Services (see details below) by fax.

As soon as your order is processed, you shall receive the pdf files by e-mail attachment.

Terms of use

By ordering one or more of these methods, the user accepts the conditions of use as follows:

- these are draft methods and are subject to revision without further notice
- these methods will appear in revised and edited form in CIPAC Handbook N presumably in the year 2012.
- The CIPAC copyright and disclaimer (cf. CIPAC Handbook L, page ii) apply to all pre-published methods.
