### To whom it may concern

Due to the global situation concerning COVID-19, there will not be a possibility to organise this year either a face-to-face meeting.

In contrast to 2020, CIPAC will organise a virtual meeting on June 14th and 15th. It is foreseen that on Monday (09:00 to 17:00), the Technical Meeting (discussing the trials/methods and general issues) will be conducted. If necessary, this could be continued on Tuesday (09:00 to 17:00).

However, on Tuesday will be also the time frame for the internal CIPAC meetings.

Details including the agenda will be provided in due time.

To facilitate the organisation, I would appreciate a message to [CIPAC2021@bvl.bund.de](mailto:CIPAC2021@bvl.bund.de), if you are interested in participating at the virtual meeting.

Stay healthy!
